Aquarius

Kellyanne Conway

January 20, 1967

Aquarians are intellectual, uncompromising, and usually have this terrible habit of manipulating the truth. Aquarius is the water bearer. They can hold the water, carry the water, pour the water, and spread the water to others without ever being phased by it. It's not a secret that the champion of *alternative facts* Kellyanne Conway is an Aquarius. It is the water she carries and sprinkles all over the American people. She made it rain *alternative facts* in a series of television interviews in 2017 regarding the "Bowling Green Massacre", an event she made up. Despite being mocked on Twitter and a cancelled appearance on CNN due to her credibility being shot, she's still out here watering the world with *alternative facts*.

Pisces

Mitch McConnell

February 20, 1942

Pisces have difficulty making decisions. I mean the symbol for Pisces is two fish swimming in different directions. They're super sensitive and aren't afraid to express themselves. It makes sense that Senator Mitch McConnell is a Pisces. He's wishy-washy. As a conservative dude, you would think he would be anti-Russia and sign off on anything to protect the USA from it. Yet, when it comes to protecting American Democracy, he has blocked every bill written to prevent a repeat of Russia's interference in the 2016 election. On top of that, out of every name he's ever been called (including "Murder Turtle" and "Massacre Mitch"), "Moscow Mitch" is the one that hurts him the most. Does he really have no idea why we call him "Moscow Mitch"?

Aries

Paul Manafort

April 1, 1952

Aries are known to enjoy the much finer things life has to offer. They desire fiery passion and intimacy. Aries, the ram, a sign that likes to uhm...ram itself and its parts into others for pleasure. Former and now jailed Trump campaign manager Paul Manafort is the definition of Aries. Aside from being infamous for lobbying for a pro-Putin project to pay for designer suits and money laundering, Manafort is also known for his illicit behavior. His need to, you know, become public knowledge when a hacker published texts from the cell phone of one of his daughters. Texts revealed Manafort's daughters were perfectly aware of their parents' group activities and their father's need to screw. Screwing people and screwing America.

ONCE UPON A TIME A YOUNG GIRL TOOK A TRIP TO THE MOST SHINING CITY IN THE KINGDOM WHERE SHE LIVED. BUT HER PAPI TOLD HER THAT IN THIS LAND, **EVERYONE** COULD BE A KING OR QUEEN, AND THAT THE COUNTRY DOESN'T WORK IF ANYONE IS RULED.

NODDING TO THE LONG POOL AT THE CENTER OF THE CAPITAL, HE ASKED HER TO LOOK INSIDE AND TELL HIM WHAT SHE SAW.

TO HER AMAZED EYES, A FULL-GROWN WOMAN IN WHITE LOOKED BACK AT HER.

AND WHO WERE THOSE OTHERS BESIDE THE WOMAN, IN HIJAB AND GLASSES AND POWERFUL BRAIDS?

HER HEAD SWUNG AROUND TO SEE IF THEY HAD BEEN STANDING BESIDE HER, BUT NO ONE ELSE WAS THERE.

THE SOUND OF A SPLASH BROUGHT HER BACK, AS A HAND REACHED OUT TO HER FROM THE WATER...

...AND ALL FOUR WOMEN ROSE FROM IT!
