

DARK SOULS

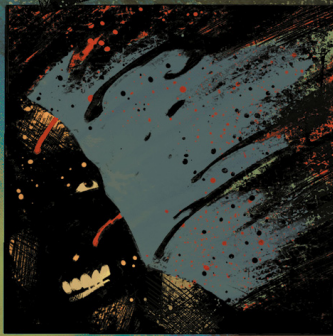

THE WILLOW KING

*But Herad does not
carry his burden alone.
There are three who
have pledged themselves
to his cause, and even
now, seek him out.*

*Now the poison
kiss of death to
all who stand in
his way.*

Whose blood salts the ground wherever she deems to tread.

Yllis, who speaks only to utter prayers to her dead god.

TO
USTRAD
WE MUST
ROOM.

"THROUGH BARREN,
ROTTEN LANDS..."

"...AND ABANDONED
HAMLETS..."

"...TO SEEK THE WILLOW
KING IN THE RUINS OF
HIS FORMER LIFE."
