

"GORDO, DON'T WITH ME!  
ZONE SEVEN?!"

"THAT'S ON THE OTHER SIDE OF THE WORLD!"

RELAX,  
GIRL! IT'S GOING  
TO BE SUPER  
SMOOTH.

THEY HIRED US TO REPAIR A THERMO-DATA EMULATOR, BUT IT'S AN OLD PIECE OF EQUIPMENT. WE DON'T HAVE THE PARTS HERE. IT'S FAR, I KNOW, BUT THEY PAY CASH, YOU KNOW?

LIVE CASH!

AND WHERE CAN I FIND THESE PARTS?

GUESS?

DAMN!

"THERMO-DATA  
EMULATOR?"

"WHO THESE DAYS USES  
A PIECE OF █████ LIKE  
THAT AND STILL LIVES  
ON ZONE SEVEN?"

RRRR  
RRRR  
RRRR

WHAT'S  
WORSE, ELVIS,  
IS HAVING TO  
GET THE GODDAMN  
PARTS FROM THE  
OLD MAN.

THAT'S A  
TERRIBLE  
JOKE.
