

EDENEROST

AMIT TISHLER | BRUNO FRENDA | TAYLOR ESPOSITO

I miss
springtime...

...the warm weather, the
flowers...they never stay
around for long.

Mom loves it here.

She once called this place "our little slice of Eden"...

...and then winter rolled in and killed everything. It was dark, cold, and dry...I hated it so much!

>HUFF<
HOLD ON, YULI...
>WHEEZE<
WE'RE GONNA BE OKAY...JUST >HUFF< HANG IN THERE FOR ME, OKAY?!

HRRRMFF!

So I asked her: "Mommy, how can this be Eden?! I'm freezing!"

And she giggled, looked at the snowstorm, and said: "Oh, this?"

A-ALEX?

"It's just the Edenfrost. Don't worry, Ulinka, it will pass."

N-NO... W--

WAIT!
ALEX!
STOP!

WE NEED TO GO BACK!

>UNK<
YULI!

W-WHAT
IF--
WE CAN'T
STOP NOW.
=WHEEZE=

=SHUFFE= KEEP
MOVING.
=WHEEZE=

NO

ME DOWN.
NOW!
GAH!

CAN'T--

OOO!

=UGH!
CAN'T...

It saved us.

It saved... me.

You've seen it, too, haven't you?
