HELL
EONS AGO.

I have fathered offspring since before time was recorded. They have all failed me.

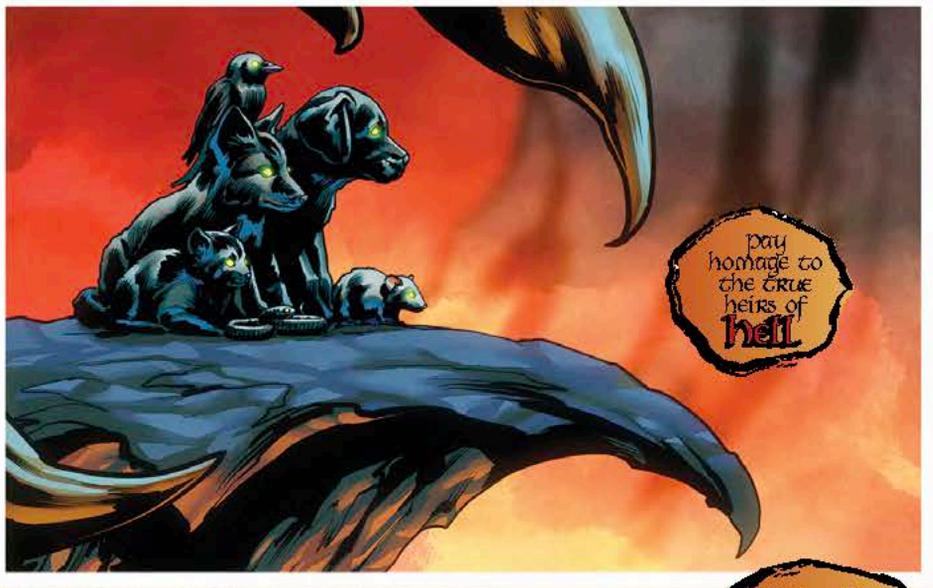

But, in you—my six—I put my faith for the future of my dominion.

Protect each other. You are many... you are one.

gather
around, my
vassals.

pay
homage to
the true
heirs of
hell

you will
protect them
with all you
are.

These
six are
the best
of us.
