FABRICE WOULD LIKE TO THANK: My partners and family, Kristal and Ethan.
My brothers from other mothers: Fred Pham Chuong (couldn't have done this
one without your brilliant designs, your storytelling skills, your kung fu, your
friendship), Will Torres, Sean Wynn. My terrific Mother who never bought any of
my comics but supports me greatly from a distance. TC Harris for being a tireless
supporter of the Intertwined franchise and a dear friend. Anson for your support.
Our cover artists: Gerald, Nick, Will and Franck: you are my mensches!

The THOUSANDS of fans who have kept the series alive since it started in 2016
(yeah, I'm looking at you Goggles991 from Japan). I can't believe that through
its different editions, INTERTWINED sold over 4,000 copies! This is a hell of a
community. And we're going to keep working hard to make you proud.

To Ho: you, sir, are AMAZING. You found me on the net at the moment where I was
looking for the right artist... You have changed everything.
Thanks to Matias and Exequiel. You stepped in at the last minute to save the day.

Special shoutout to Mike Negin and Alex Rae from ReedPop. You allowed my piece
to be a part of the Monsters&Dames legacy in 2022. It became the very first
cover of this comic book and my banner at shows.
