As above...

...so below.

WELL,
BOYS...

READ
'EM--

--AND
WEEP.

Two games...

...two players.

This is a tale
from two cities.

Two places,
two times, but
somehow, they
are the same.

Remember:

ER--

WHAT?

It's really
one city.

It's really
one time.

It's really
one tale.

Remember...

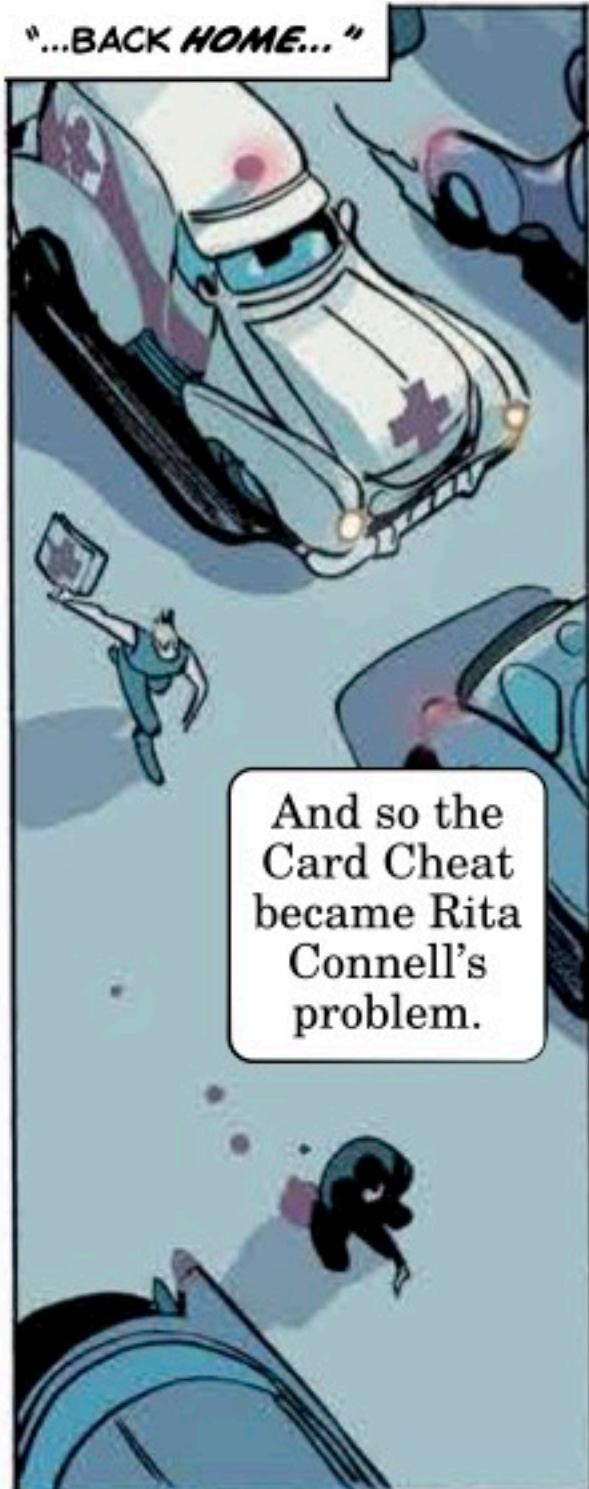

AWW,
MAN.

DID
I JUST HIT A
CIVILIAN?

YOU
JUST HIT A
CIVILIAN...

"...BACK HOME..."

And so the
Card Cheat
became Rita
Connell's
problem.

Reconnecting with her
roots to Adventure,
Rita fought off the
Axe Gang alone to
save her patient...

...recovered
Crossdraw's
rogue *ghost*
bullet...

...and brought it
to her sisters as
proof Tommy and
the Crossdraw
Kid still live.

Out there.
Somewhere.

But we're leaving
Rita for now.

It's time for
another Connell
sister to reconnect
to her roots...

URSULA, WHAT
ARE YOU EVEN
DOING?!?
