

WELCOME TO GORECON!

SO, GARRETT FORT IS SEAN CONNERY IN THE JAMES BOND ANALOGY.

OH, YEAH. THE ORIGINAL, AND THE BEST.

AND THAT MAKES DEREK...

DEREK PIKE IS ROGER MOORE, THE GUY WHO SAVED THE SERIES.

LEAVING REED DANIELS IN THE UNENVIABLE POSITION OF BEING THE LAZENBY.

YEP, THE GEORGE LAZENBY OF LORD OF GORE. EVERYONE HATED HIM AS THE HEADSMAN, AND HE JUST ABOUT SANK THE SERIES.

I WONDER WHY HE NEVER SHOWS...

I MEAN, HE SUCKED... BUT HE'D STILL CLEAN UP SELLING AUTOGRAPHS.

I DON'T KNOW. RUMORS ARE HE'S GOT A FARM SOMEWHERE. DRINKS HIMSELF INTO OBLIVION. PERMANENT VACATION.

HOPEFULLY, DEREK FARES BETTER.

LORD OF GORE II

WE HAVE TIME FOR ONE MORE QUESTION.

GORECOM!
GORECOM!
GORECOM!
GORECOM!
GORECOM!

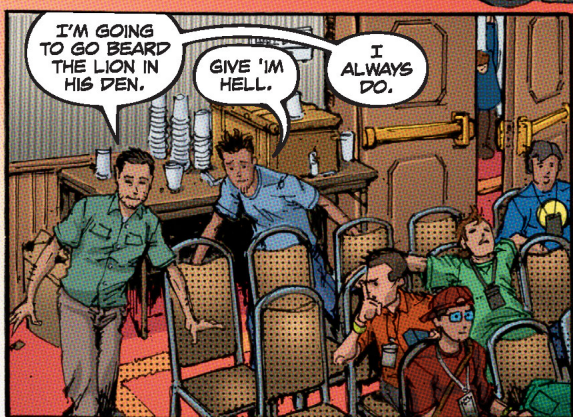

I KNOW YOU GET ASKED TO DO IT EVERY TIME...

...BUT WOULD YOU, PLEASE, DO THE CURSE OF THE DRAWN AND QUARTERED WITCH FROM THE ORIGINAL LORD OF GORE?

GORE

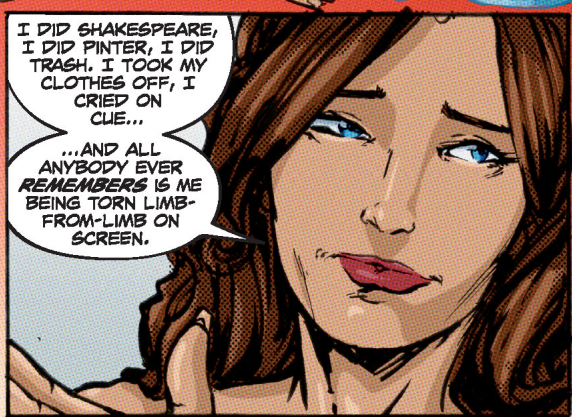

BECCA BIANCHI

I'M GOING TO GO BEARD THE LION IN HIS DEN.

GIVE 'IM HELL.

I ALWAYS DO.

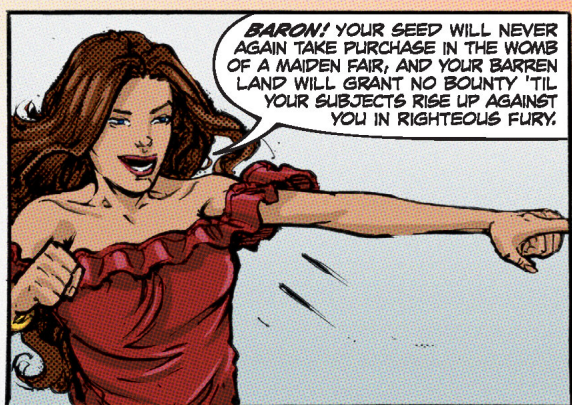

I DID SHAKESPEARE, I DID PINTER, I DID TRASH. I TOOK MY CLOTHES OFF, I CRIED ON CUE...

...AND ALL ANYBODY EVER REMEMBERS IS ME BEING TORN LIMB-FROM-LIMB ON SCREEN.

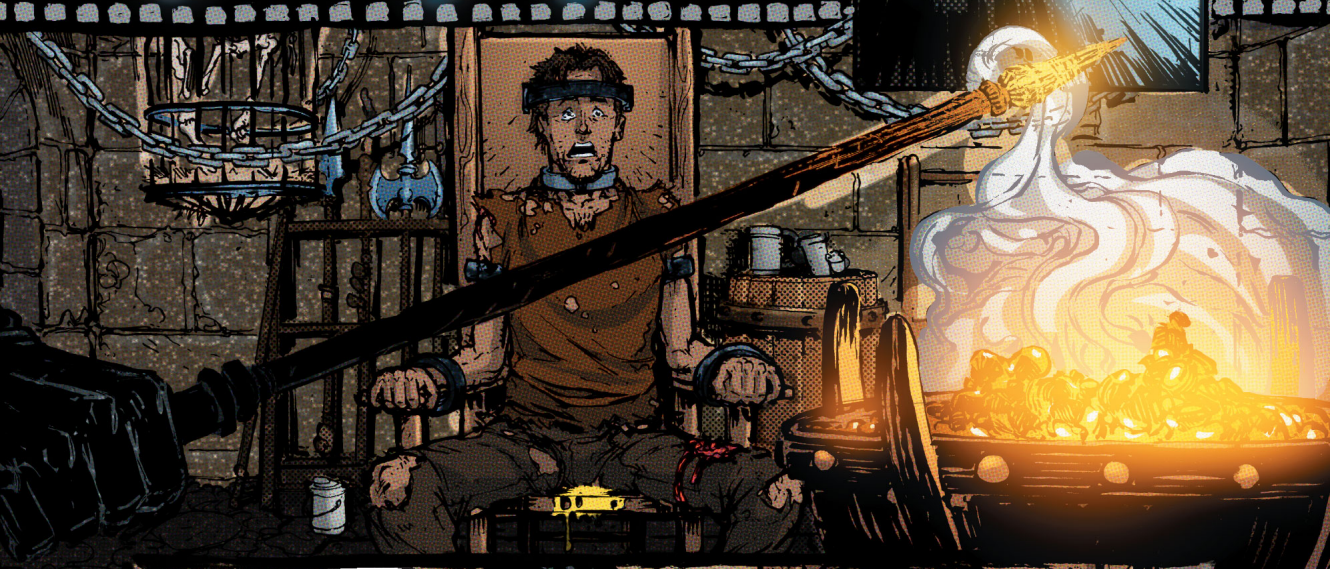

PLEEEZE.

HA HAH HAH
HA HAH HAH HAH!

BARON! YOUR SEED WILL NEVER AGAIN TAKE PURCHASE IN THE WOMB OF A MAIDEN FAIR, AND YOUR BARREN LAND WILL GRANT NO BOUNTY 'TIL YOUR SUBJECTS RISE UP AGAINST YOU IN RIGHTEOUS FURY.

THEN THE JOKE'S ON HIM.

IF AN EYE OFFENDS THESE...

YARRRGH!

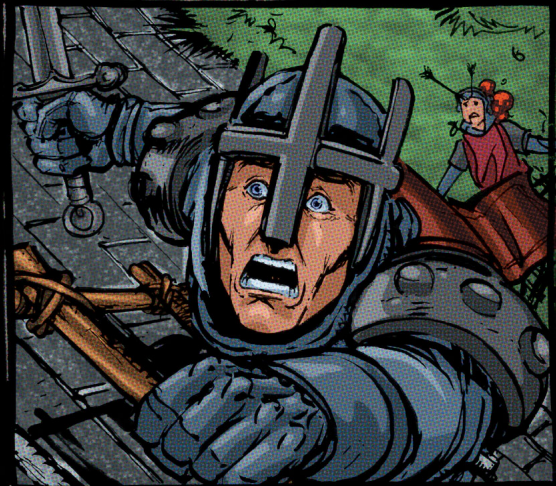

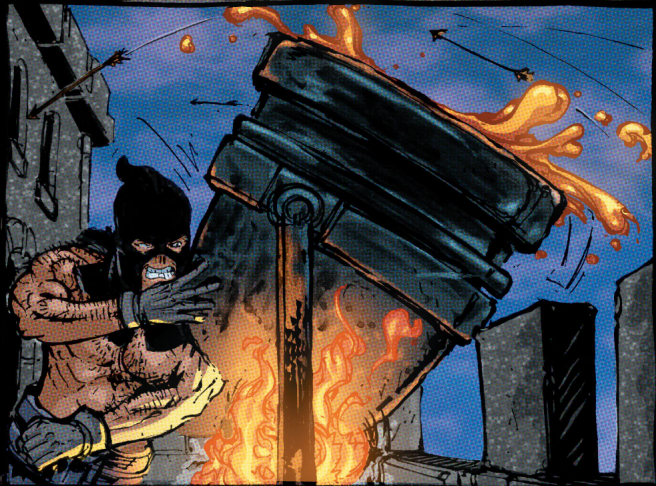

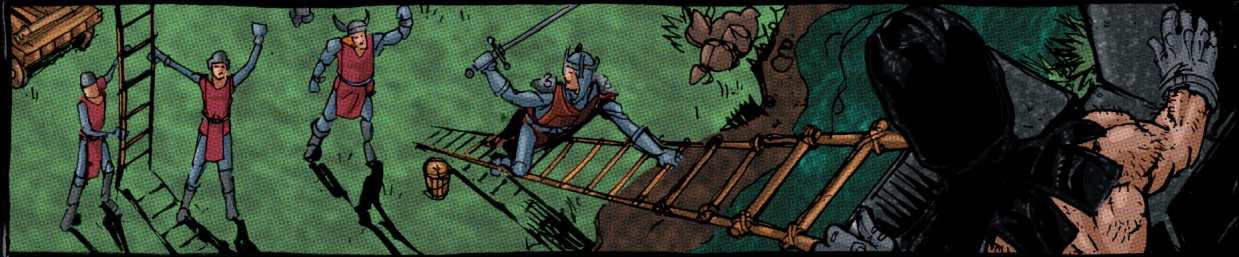

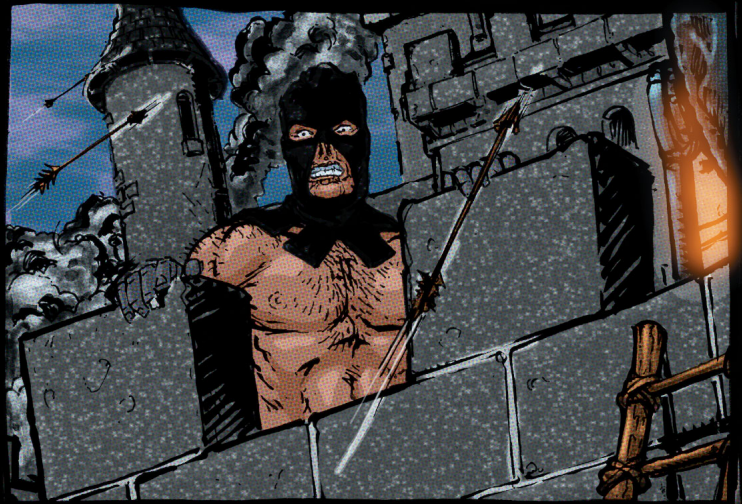

...PLUCK IT OUT.

OOOOOH!
YEAH!
WHOO-HOO!

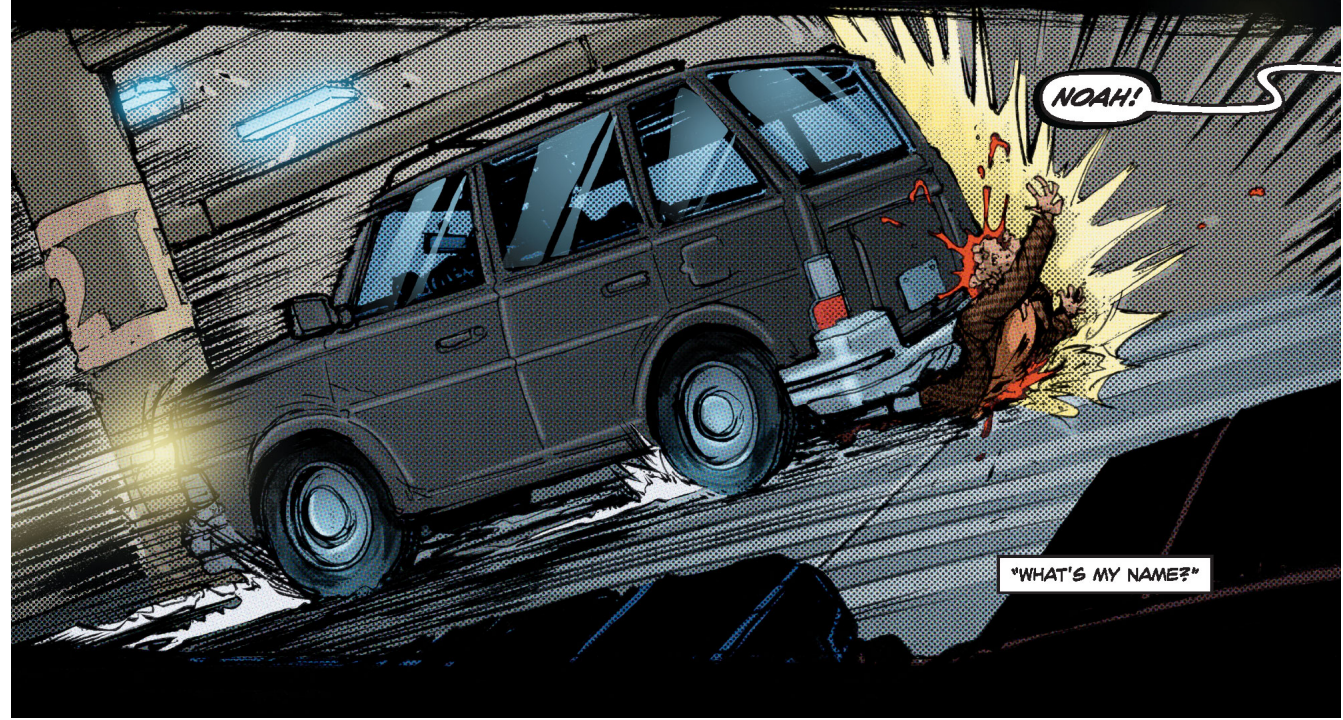

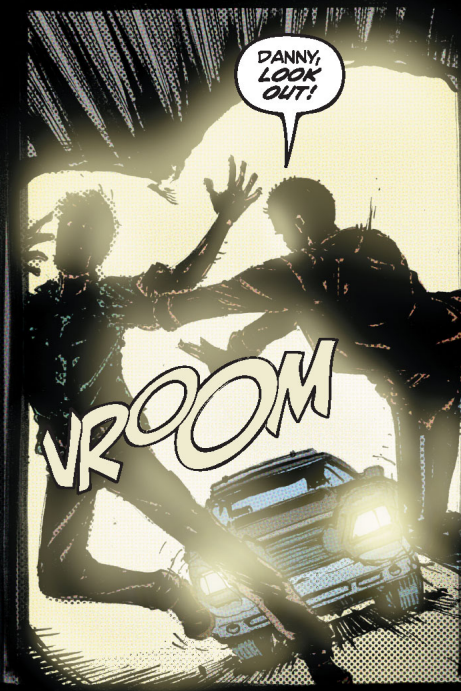

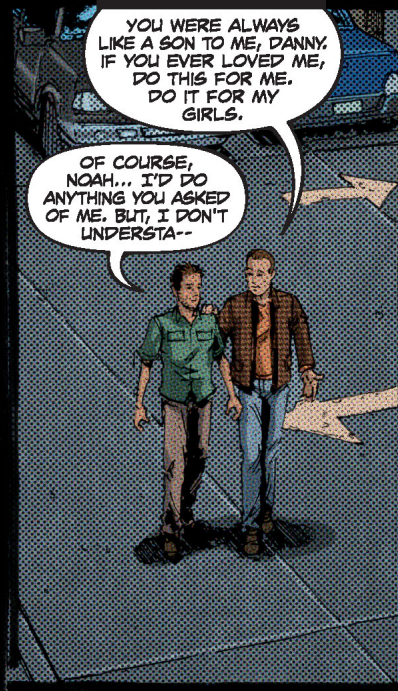

STORM THE CASTLE, MEN!

GRAHHH!

OH, MAN. THAT'S GOTTA HURT.

HAH HAH HAH HAH HAH!

DECADES OF DECAPITATION

(AND OTHER FUN THINGS)

The story of *Lord of Gore*, in many ways, is the story of United World Pictures. Founded by Thomas Tower, 1956, the maverick studio specialized in teenage-killing monsters (often of the rubber suit variety), hot rod hunks, and reform school girls frolicking on the beach to a rock and roll groove.
