

FROM THE
PERSONAL
JOURNAL OF
RESEARCHER
BRYAN
ENTY MS.

THE FORMER
QUALITY OF THE
EXOTIC HABITAT
CONTINUES TO
REPELLE AND
OUTRAGE ME.

"EVERY ORGANISM
IN THIS PLACE TRY
FIGHTING FLINCHES TO
IMPROVE ITSELF
THROUGH A PROCESS
OF CONTINUOUS
VIOLENT NEGATION.

"TO PUT IT ANOTHER
WAY IT EITHER
ADAPTS OR IT DIES.

"THERE IS NO
MERCY HERE
ONLY CHANGE."

"AND I LIE THERE IN A SLIVER OF KINDNESS IN THIS REELING, RUTTING, BLIND AND SCUTTLING HELL, AND IT IS SURELY TRUE...

"... THESE DITCH-BELL SPIDERS LACK THE SLIGHTEST FLICKER OF AWARENESS."
"SAY FOR THAT I AM GRATEFUL. NOW COULD I DO WHAT I'D DO THEN IF I KNOW OTHERWISE."

"IN MY NIGHTMARES I IMAGINE MYSELF ONE OF THEM—A HOLE OF INSTINCT AND STOPPING FUR."

"I SEE MY ENEMY ACROSS AN INTERVAL OF TIME AND DISTANCE AND MY MACHINES BURST BEHIND ME INVINCIBLE."

"I DEFECATE WITH EXCITEMENT."
