

CAPTAIN AMERICA

ALL DIE YOUNG: PART I
BY TA-NEHISI COATES & BOB QUINN

Hydra conquered the United States under a leader with Steve Rogers' face. Captain America returned and Hydra fell, but a new threat known as the Power Elite emerged and declared Steve and the Hydra Supreme to be one and the same.

After the Power Elite framed and imprisoned Steve for the murder of Thunderbolt Ross, Sharon Carter and the mysterious Daughters of Liberty broke him out, hoping to protect him long enough to expose and defeat the Power Elite.

Steve discovered that the mysterious leader of the Daughters of Liberty was none other than Peggy Carter, an old flame he believed long dead. But there's no time for Steve to grapple with this revelation—Peggy revealed that Selene of the Power Elite stole a bit of Sharon's soul, and they need to get it back before it's too late!
