

A SYSTEM LIKE THAT HAS SO MANY OTHER APPLICATIONS!  
FOR SUCH AN INNOVATOR, YOU ARE THINKING SO SMALL.

SO, HERE'S THE DEAL.  
I'VE PUT A BOMB INSIDE THE KID--A NASTY SWARM OF NANITES THAT I INJECTED AROUND HER BRAIN STEM.

ANYTHING HAPPENS TO ME, THEY GO BOOM.

YOUR PRECIOUS SECURITY FORCE GETS INTO THE ROOM? BOOM.

I GET BORED WITH YOUR SNIVELING...?

WELL, YOU GET THE IDEA.

SO, IF I WERE YOU, I'D GET TO WORK.

Ayan AI Space Station.

THIS IS HOW IT ALWAYS STARTS.

FEAR.

→WHIMPER←

P-PLEASE... LEAVE ME ALONE...

DEATH.

KRAK

PAIN.

SORRY FOR THE INTERRUPTION.

THE PARADISE OF INNOCENCE, LOST.

GOOD RIDDANCE.

NOW, WHERE WERE WE? OH YEAH...

...LET'S GO SEE DADDY.

AAAHHH!

LEMME GO, LEMME GO!

STOP WHERE YOU ARE!

?

ZRR!

SO INCONSIDERATE.

I'M ON A SCHEDULE.

HNNNARG!

YOU'LL NEVER GET MY RESEARCH! I'LL DELETE THE FILES BEFORE YOU CAN--

YOU'RE CONFUSED, INVENTOR. I DON'T WANT YOUR NOTES. I KNOW YOU'VE ALREADY BUILT IT.

YOU'RE EXACTLY THE TYPE OF MAN WHO THINKS ABOUT THE "IS IT POSSIBLE" AND NEVER THE "SHOULD I DO THIS," WHICH IS GREAT FOR ME!

I WANT YOU TO INTEGRATE IT INTO MY CYBERNETICS.

OR ELSE THIS PRETTY LITTLE THING DOESN'T SEE HER NEXT BIRTHDAY.

->WHIMPER<-

TH-THERE WILL BE MORE GUARDS COMING, I--

WITH THE ALL-SEER SYSTEM IN PLACE, GETTING THROUGH THEM'LL BE CHILD'S PLAY.

HONESTLY, EVEN WITHOUT IT, I'D PROBABLY MAKE IT.

I-IT DOESN'T DO WHAT YOU SEEM TO THINK IT DOES.

IT IS A PREDICTIVE SYSTEM MEANT FOR ENGINEERS AND NAVIGATORS.

IT CAN'T TELL YOU THE FUTURE, ONLY GIVE YOU AN ANALYSIS OF DIFFERENT COURSES OF ACTION AND TELL YOU WHICH WILL BE THE MOST EFFECTIVE GIVEN THE VARIABLES AND YOUR GOAL.
