

The SIX MARYS were OCEI's\* covert strike team.

They hunted satanic creatures-- zombies, demons... VAMPIRES.

\*CATHOLIC EXORCISM INITIATIVE OFFICE, A VATICAN SPECIAL FORCES UNIT. --MATT

Chubby Satanist wannabes weren't on their list.

Those were LOST souls to be prayed for.

The gals had very STRICT parameters.

AAAAAIIIEEEEE--! RUNNN--!!

As it remained unclear whether I was a creature of "the devil"--

--or a scientific ANOMALY, I got a temporary PASS.

Kind of the way the British exploited Native American scouts to hunt down their own people.

Vampires weren't my people.

I no longer HAVE any people.

BBRRRATAT!!

There IS no God on Drakulon.

Not much in the way of superstitious hocus-pocus.

--hoping they could get themselves LAID before Armadyl made a SANDWICH out of them.

And I'm not sure I'm qualified to judge what is "evil."

But humans were being victimized.

That was enough for me.

--THE SCOUT!

LEAVE HER.

LEAVE HER TO GOD'S JUDGMENT.

WE ARE GOD'S JUDGMENT.

INNOCENT--?! AH-HAHA HAHHA!

THESE POOLS PAID A THOUSAND DOLLARS EACH TO ATTEND THIS RITE!

WHY DO YOU EVEN CARE...?
