

DEAD AVENGERS ASSEMBLE!

The Vision, Captain Marvel, Yellowjacket, Deathcry, Swordsman, Dr. Druid — all lost their lives in the line of duty, or in disgrace. When Earth's Mightiest Heroes are laid low in the carnage of the Chaos War, the graves give up their dead, and these six former Avengers find themselves returned to reassemble against the Chaos King's most fearsome ally, the Grim Reaper! It's a second chance at life to prove they are worthy of being called Avengers.

Plus: The God of War is dead, torn in half at the hands of the Sentry. Now, his ancient enemy, the Chaos King, threatens all existence! Ares defeated the Chaos King once before, but can he do it again as a dead god armed only with his love for his lost son?

And Thor squares off against a foe who may be the most powerful he's ever faced: the alien god known only as Glory! This powerhouse is helping the Chaos King destroy all reality, and the Norse Thunder God must summon untold strength to defeat the foreign deity!
