

History has a tendency to repeat itself.

Unless you change it.

Meet the Families of **ALTERED WARS.**

During World War II, they fought on all fronts and eventually changed its outcome.

Now it is the year 2039 and the stakes are bigger than ever.

A valuable male advisor from Earth is shot down over an enemy territory on the newly discovered twin Earth, an area controlled by amazon-like warriors of the Viragonian Empire. Now, it is a race against time for the small Earth Volunteer Group to rescue him before it's too late.

And the time is running out.
