

“In comics, paradoxically, self-publishing is a badge of honor. In effect, its putting your own money where your ‘mouth’ is. For Billy Tucci and his staff, *Shi* is a badge well-earned.”

Chris Claremont

“...this book is absolutely gorgeous. Great artwork and a compelling storyline make this a winner.”

**COMBO**

Christian Berntsen, *Comic Culture*

“I love the series. Billy’s attention to quality and respect for his creation are always evident in his work. *Shi* is a classy addition to the ladies of comics...”
