

# EDENFROST #1

AMIT TISHLER | BRUNO FRENDA | TAYLOR ESPOSITO

I miss  
springtime...

...the warm weather, the  
flowers...they never stay  
around for long.

Mom loves it here.

She once called this place "our little slice of Eden"...

...and then winter rolled in and killed everything. It was dark, cold, and dry...I hated it so much!

SHUFF!  
HOLD ON, YULI...  
WHEEZ!  
WE'RE GONNA BE OKAY...JUST SHUFF! HANG IN THERE FOR ME, OKAY?!

HRRRWEEF!

So I asked her: "Mommy, how can this be Eden?! I'm freezing!"

And she giggled, looked at the snowstorm, and said: "Oh, this?"

A-ALEX?

"It's just the Edenfrost. Don't worry, Mlinka, it will pass."

N-NO... W--

WAIT! ALEX! STOP!

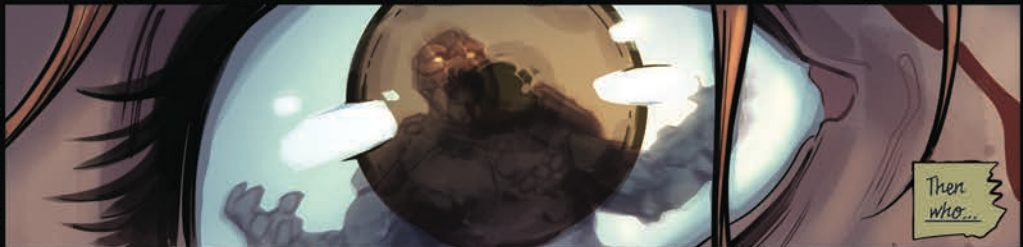

WE NEED TO GO BACK!

SHUNK! YULI!

...or what was that... thing?

It saved us.

It saved... me.

You've seen it, too, haven't you?
