

# CHRONICLES OF THE WASTELAND #3

Shane Evans continues his glorious romp through the tropes of NZ's hey day of dystopian sci fi. "Battle Truck" meets "Mad Max" with a gleeful nod to the "Turbo-Kid", this comic is panel after panel of well-crafted story telling using an art style that is perfect for the theme. Shane's Chronicles of the Wasteland is some of the best comic work coming out of NZ today.

I NEED YOU TO HIDE,  
AND DON'T COME OUT!  
...NO MATTER WHAT HAPPENS

## STAY HIDDEN

I WON'T LET THESE  
BASTARDS GET YOU

NOW GET YOURSELF
