GUARDIANS
of the
GALAXY

3: "Forever. If
we wanted."

PREVIOUSLY...

Richard Rider, A.K.A. Nova, reached out to the Guardians of the Galaxy for aid defeating a war-hungry Olympian pantheon. Only Peter Quill, A.K.A. Star-Lord, and Rocket Raccoon answered the call. Together, along with Nova, Phyla-Vell, Moondragon and Marvel Boy, they launched an assault on Olympus.

Nova and his makeshift team destroyed Olympus and rescued the captured Olympian, Hercules, but the cost of victory came at a terrible price...Peter Quill is dead, and Rocket Raccoon must now face the rest of his family alone.

I MEAN, HE STOLE THE BOWIE AND WENT OFF TO FIGHT ROGUE GODS WITHOUT US.

WE ARE ALL GOING TO YELL AT HIM, RIGHT?

I AM DRAX!

I AM DRAX.

FINE. WE'RE GOING TO YELL AT HIM, YOU'RE GOING TO HIT HIM.

THE POINT IS HE'S JUST... I DON'T KNOW. HE'S BEEN WAITING FOR US TO CALM DOWN. NOTHING'S HAPPENED TO HIM.

I MEAN, HOW COULD IT?

ROCKET'S WITH HIM.
