THE BEST SCIENTIFIC MINDS OF MEXICO, GERMANY, THE NETHERLANDS, THE U.S., CANADA--THEY ALL CONVENED IN FRANCE FOR 9 MONTHS. AND THIS TEAM OF INTERNATIONAL SCIENTISTS INVENTED A CHEMICAL THAT WOULD DESTROY THE ORANGE FUNGUS THAT PLAGUES OUR NATION'S CAPITAL.

SOME SAY DANCING AND
DEMOCRACY DON'T MIX.

POLITICS IS SERIOUS BUSINESS.

IT'S MORE ABOUT TALKING, DEBATING,
CONTESTING, PUSHING THROUGH AGENDAS
— NOT TEARING UP THE DANCE FLOOR.

RONALD REAGAN ONLY DANCED
— WALTZED — WITH NANCY.

BILL CLINTON DIDN'T REALLY DANCE.
HE PLAYED THE SAXOPHONE INSTEAD.

DUBYA WAS

WHERE'S MITCH

There sure are a lot of little turtles on this page. Can you find the one? Majority Leader Mitch McConnell (R-Ky.) hasn't been in Congress lately. If you do spot him, he's likely only spending his days on the golf course.

He usually appears to help his powerful budget committee pass the national holiday, or for any other reason that's important to him.

MAD LIBS

(as hell)

Once upon a time there was a town ruled by a king with an adjective orange face. The Orange King was very proud of his adjective orange face, and he would draw attention to it by screaming out of it, usually at around 3am when the townspeople were trying to verb. Night after night, month after month, the Orange King would scream verb into the night sky, things like “a gibberish word, another gibberish word, another gibberish word, how a toddler might say 'spaghetti', and another gibberish word!!”

But one day a(n) adjective woman verb, past tense into town and verb, past tense. “You have a political culture of intimidation, of favoring, of patronage, and verb, past tense. There is no way for a community to be governed.” She began to change the way the town verb, past tense.

“We like it the way it is!” hissed many a very large number year-old white men. They were verb while they involuntarily bodily function, past tense because they were very adjective. The woman verb refreshed her adjective red lipstick and verb, “These men are adjective because they don’t have a stake in the game.” Many of the townspeople became adjective to verb.

This infuriated the King, who was now being described by the townspeople as adjective to verb. “adjective to describe something gross, another one, how 'bou, okay last one, rhymes with 'blorange' -skinned sack of that angry g^girl.” The woman verb ‘Ghostbusters 2’. The woman shrugged, “Change takes courage.”

One morning after a(n) adjective night what a vagina does when air gets in, the King verb words out of the hole where his mouth should be, the King awoke and verb. He looked in the mirror. What he saw horrified him. Now, in the place where his adjective mouth used to be, was a beautiful, quiet peach.

The Orange King had been incoherently verb-ing for months on end. A adjective young woman with fresh ideas had been inspiring the townsfolk to verb. And together they decided to peach the adjective King. Once peach powers were just as impotent as the king himself. And so, the town celebrated activity verb party every adjective damn adjective day adjective until that just write. Alexandria Ocasio-Cortez became PRESIDENT OF THE UNITED STATES.
