KUBERT  
GLADD

All who remains  
is I. I am the Seeker.

Servant to  
science.

Sorceress  
savant.

It is my duty to discover,  
experiment, and study magic.  
I am also responsible for  
writing histories chronicling  
my brother's reign.

Every word, every  
figure, every book,  
scroll, or tome  
in the library was  
written by my hand  
for thousands  
of years.

LIBRARY OF THE LIVING CASTLE,  
FORESTLANDS

The only thing  
missing from the  
stacks of books  
is my own name.
