The empire *graciously* allows me to have *four* thoughts per day.

"Math, History, English, Biology. This year's approved *'facts.'*"

"Hey, did you know our school system's modeled on 1800s Prussia? It's true."

TANGLETRE HIGH SCHOOL

"You think those guys wanted to nurture unique minds?"

"Or did they want a generation of robots to go fight Napoleon?"

"C'mon, kids! They're not teaching you *how* to think but *what* to think! They're chopping your *imagination*s into subjects that don't link up!"

"They're filing off anything *different* so you come off the line singin' '*O Say Can You See*' with your *cow eyes* fixed on the ground."

"Another happy little drone, grateful for the chance to be *obedient*."

"Well, not anymore."

It's *our* future, not *theirs*. It's time to *wake up!* It's time to *rage* and *roar* and *take back* the world!

It's *time--*

--to be *seen*.

UPLOAD

KLK

Be seen.  
Right.

sigh

Weekly average of *forty-three* views.  
Not exactly *world-shaking*, huh?

Got a couple new *subscribers*,  
though--*that's* cool. Better a  
few inquiring minds than a  
billion dumb clickers.

...what's the  
alternative?

*"Factions speak  
louder than herds"--*  
that's one of the  
golden rules.

The others are  
*"Don't read the  
comments"*  
and  
*"Keep the  
damn content  
flowing, dummy."*

Because...c'mon.

Anonymity?

Uh-oh. *Incoming*. This guy, it's... Luke? Leo? L-something.

There's a kid like him at every school I ever went to--and that's a *few*.

Kind who feels *persecuted* when anyone *else* gets a *win*. A *grudge* with shoes, basically.

Hey. Newbie.

Probably got a shopping list of *small arms* in the pocket of his favorite trenchcoat. One of *those* guys.

Just my luck he's the only one so far who even *noticed* me.

I said h--

Uh, *sorry*, I'm kinda--can't *hear* ya! Watchin' a *thing*, y'know?

Easy to get *tainted* by association, little town like Tangletree. That's another *golden rule*, I guess:

Hey--  
uh, L-Leon?  
It's **Leon**,  
right?

C-could you tell the  
driver to *wait*? I had to  
walk the neighbor's *dog*  
and I'm running  
la--

You talkin'  
to *me*,  
princess?

He slows the bike  
and he says that's  
the first time I ever  
said his name.

I'm about to  
*apologize* for that  
--I'm blushing, even--  
when he meets my eye  
and says a *word*.

It rhymes with  
"shore."

That's  
the last  
one, pal.  
Nobody else  
comin'.

Okay. Okay, sure. I will caffeinate his homophobic ass. **NBD.**

I don't need to be nice to Leon. **Everybody** hates him. I'll--what? I'll shout "You want whip with that?" and I'll throw it at his head. Yeah.

I don't *have* to be, y'know. **Liked.** Not by **everybody.**
