

LIGHTS ARE ON THE HALLOWED SHRINE OF BATTLE, THE INFAMOUS ELECTRIC DOME FROM ROBOT CITY 2420...

...WHERE WE ARE LIVE, STREAMING AROUND THE PLANET, WITH A PACKED ARENA OF MACHINE AND MAN...

...HERE TO WITNESS A FIGHT UNLIKE ANY WE'VE EVER SEEN.

TWO INDOMITABLE FIGHTERS WILL FACE OFF IN THIS MAIN EVENT...

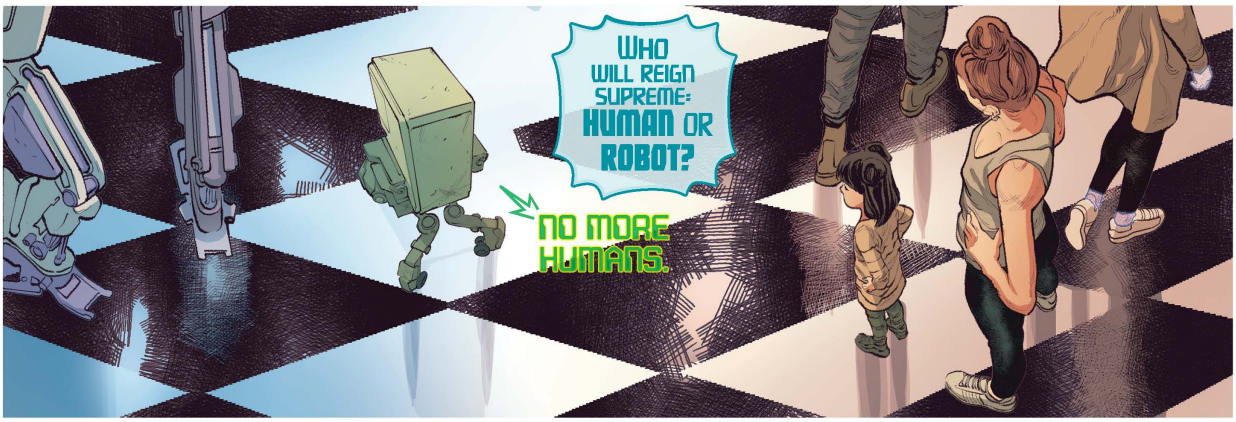

...BUT NOT JUST FOR THE FIRST ROBOT VERSUS HUMAN CHAMPIONSHIP EXHIBITION...

...NOT JUST FOR A GLOBAL CONTEST OF UNPARALLELED MAGNITUDE...

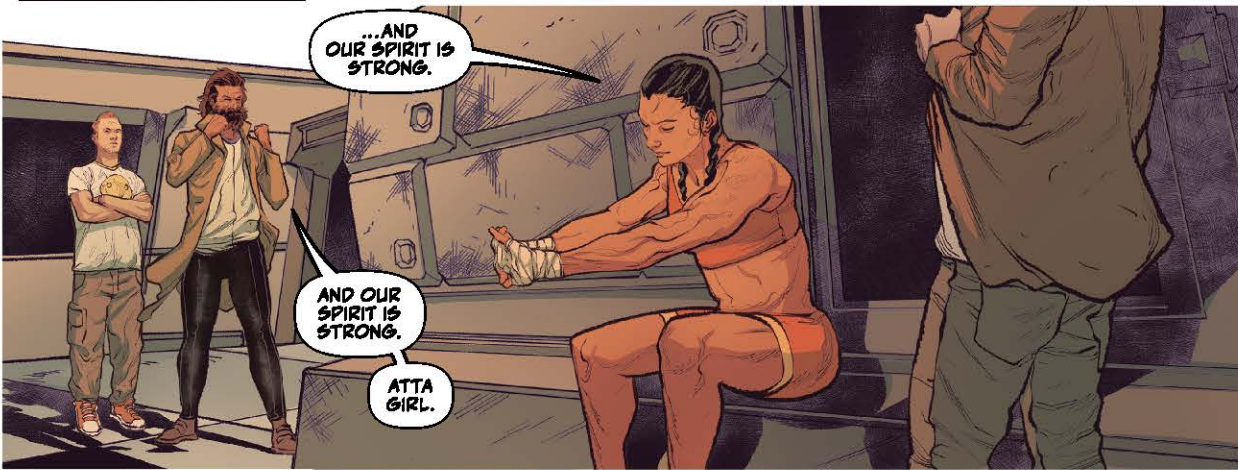

...BUT TO FINALLY ANSWER THE QUESTION OF THE AGES:

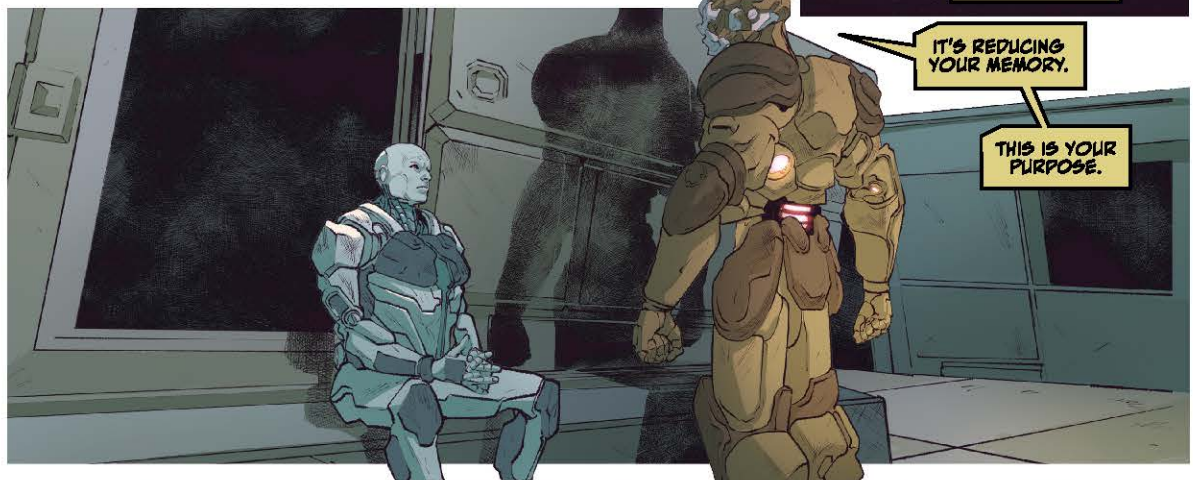

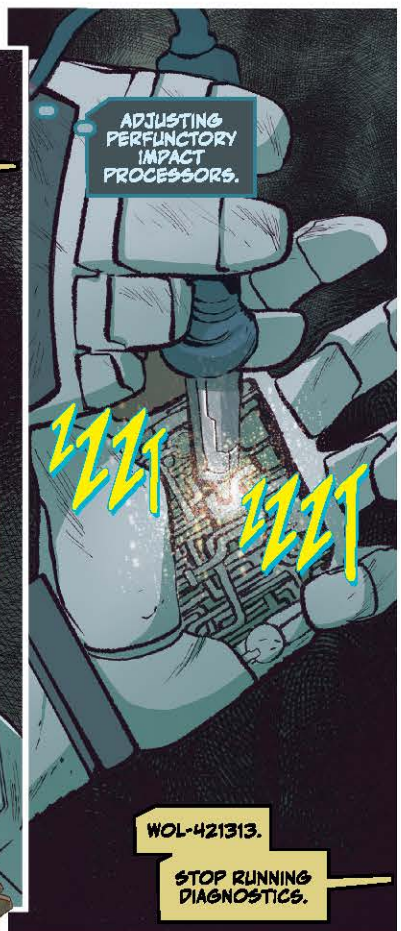

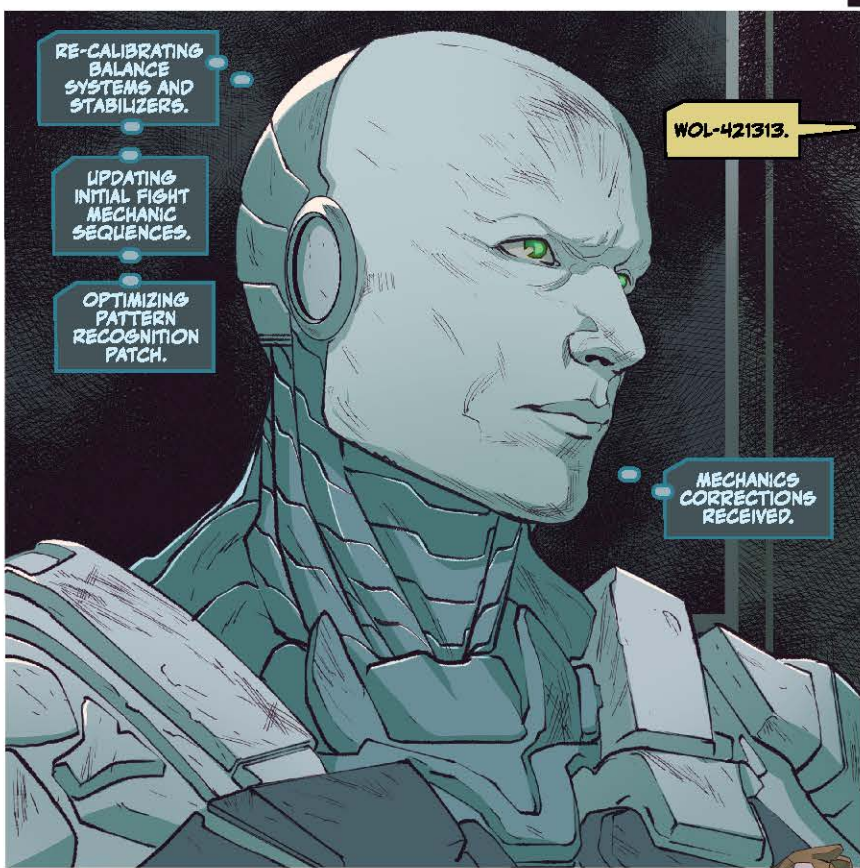

THE ELECTRIC DOME presents ROBOT V HUMAN! WHO WILL REIGN SUPREME?

WHO WILL REIGN SUPREME- HUMAN OR ROBOT?

NO MORE HUMANS.

HUMAN AND ROBOT
SPECTATORS ARE ON THEIR
FEET FOR THE FIRST TRUE
SUPER FIGHT IN THE
PLANET'S HISTORY...

...THE BEST
MACHINES HAVE
TO OFFER VS
A TRUE EXAMPLE OF
HUMANITY.

AND HERE SHE IS,
THE LUNGING LIONESS,
ROSA GENTHREE.

HOMO SAPIENS HAVE
ONLY BEEN BACK ON EARTH
FOR A DECADE, BUT ROSA
GENTHREE IS AS STRONG
AND AS TRAINED AS
HUMANS COME.

LOOK, SHE'S
QUICK, SHE'S AGILE,
SHE'S TOUGH, AND SHE'S
GENETICALLY ENHANCED
TO DENT STEEL.

AND
HE'S STORMING THE
ARENA, THE CHAMPION
FOR ALL METAL,
WOL-421313.

THE
RELENTLESS WRECKER,
WOL-421313 WAS A
CONSTRUCTION BOT WHO
CHANNELED THE WORLD'S
ANGER AND BECAME A
SYMBOL OF METAL
DOMINANCE.

HE'S FOUGHT WITH
THE BEST, HE'S TRAINED
WITH THE BEST, AND
WHILE HE MAY NOT BE
THE BIGGEST...

...HE'S DESIGNED
WITH THE MOST ADAPTIVE,
SELF-LEARNING SYSTEM,
MAKING
HIM ONE SOPHISTICATED
FIGHTER.

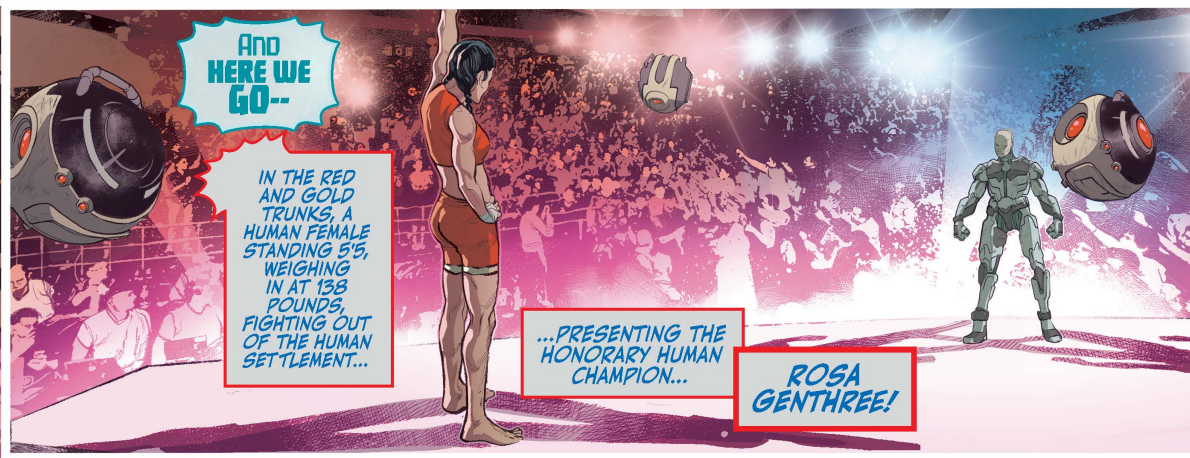

...SHE'S WORKED
THE TRASH FIELDS AND SHE'S
FOUGHT FOR HUMAN RIGHTS, BUT
TONIGHT IF SHE REALLY WANTS TO
PROVE HUMANS DESERVE TO BE
SEEN AS EQUALS...

... SHE'LL HAVE TO BE
PERFECT, BECAUSE SHE IS
GOING UP AGAINST A
TERRIFYING FOE.

HE'S OUR
FAVORITE TO WIN FOR
SURE, BUT HUMANS
HAVE PROVED THAT
THEY DO NOT GO
DOWN WITHOUT
A FIGHT.

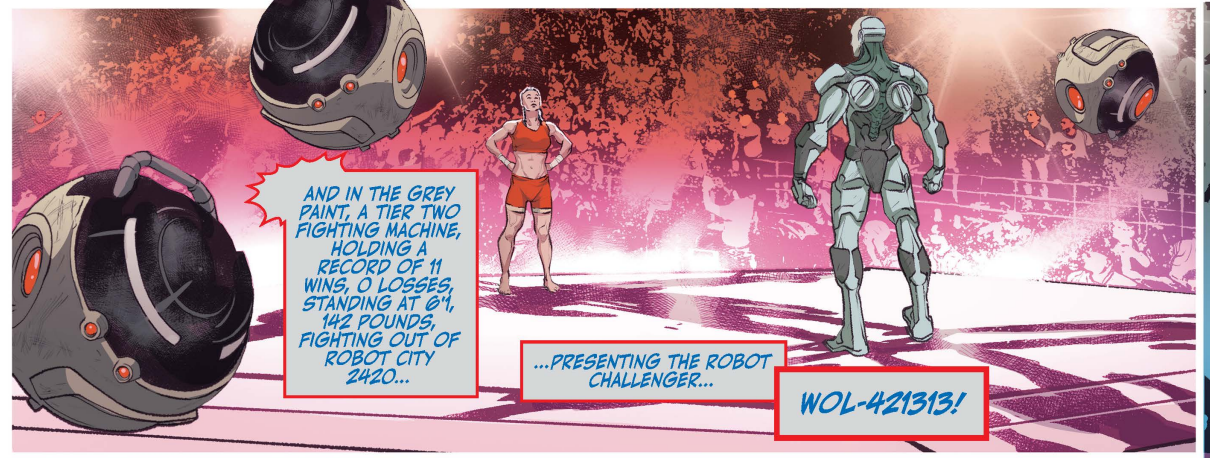

AND HERE WE GO--

IN THE RED AND GOLD TRUNKS, A HUMAN FEMALE STANDING 5'5", WEIGHING IN AT 138 POUNDS, FIGHTING OUT OF THE HUMAN SETTLEMENT...

...PRESENTING THE HONORARY HUMAN CHAMPION...

ROSA GENTHREE!

AND IN THE GREY PAINT, A TIER TWO FIGHTING MACHINE, HOLDING A RECORD OF 11 WINS, 0 LOSSES, STANDING AT 6'1", 142 POUNDS, FIGHTING OUT OF ROBOT CITY 2420...

...PRESENTING THE ROBOT CHALLENGER...

WOL-421313!

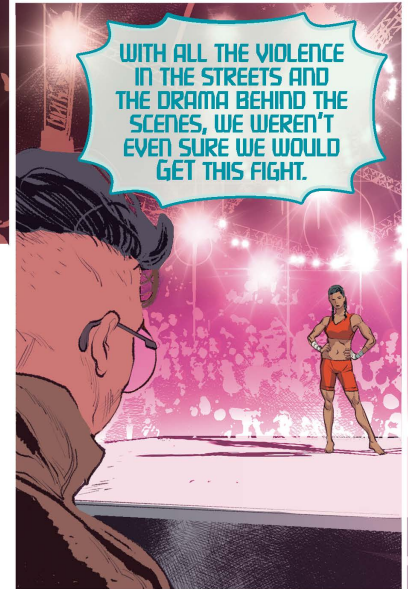

NOW, BOTH GROUPS HAVE AGREED TO A CLEAN FIGHT...

...TO RESPECT AND FOLLOW THE RULES COMMON IN BOTH ROBOT BOUTS AND HUMAN STYLE FIGHTS.

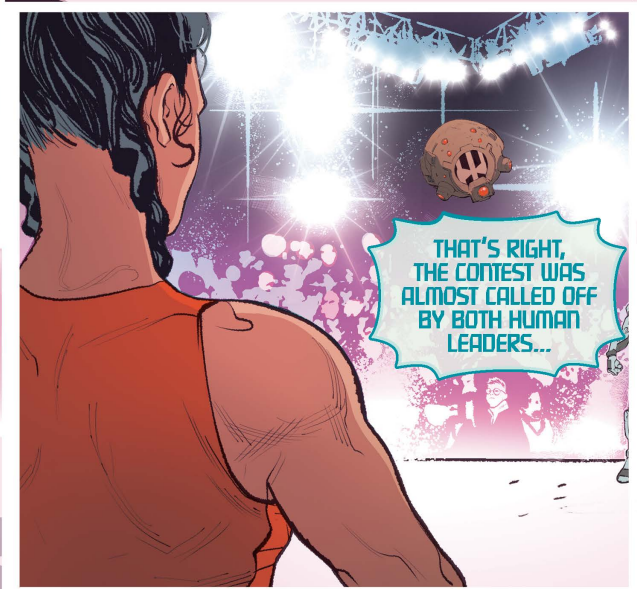

NO STRIKING THE HUMAN HEAD, SPINE OR EYES, NO ATTACKING THE ROBOT POWER SOURCE OR CENTRAL CPU.

ALL HUMANOID AND ROBOTIC FIGHTING STYLES ARE ALLOWED AND THE BOUT WILL GO INFINITE ROUNDS...

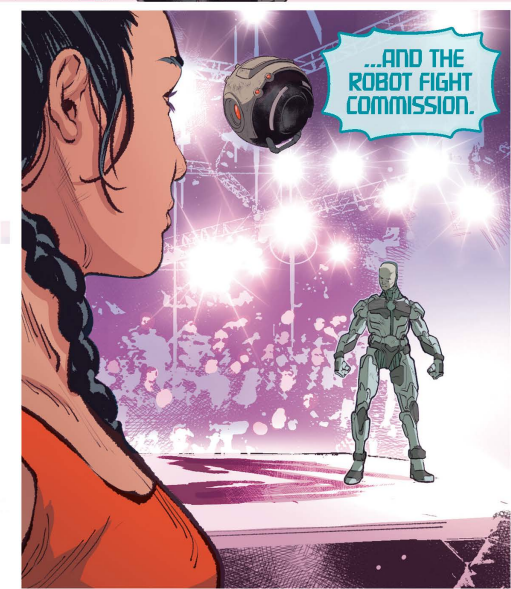

...FOR ONLY A KNOCKOUT OR A SUBMISSION TAP-OUT WILL END THE FIGHT AND PRODUCE OUR CHAMPION.

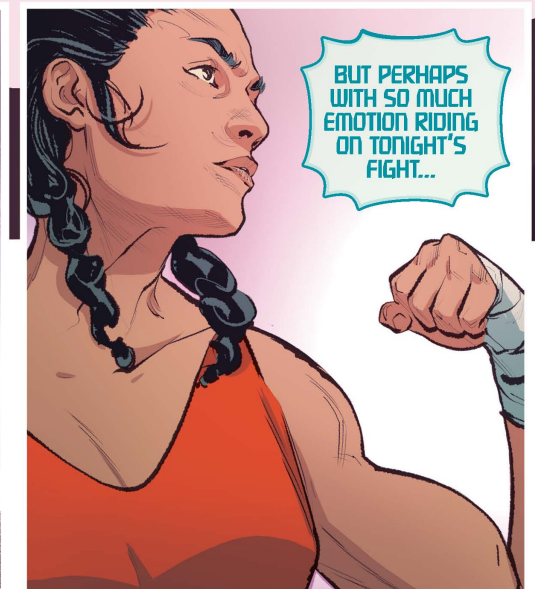

WITH ALL THE VIOLENCE IN THE STREETS AND THE DRAMA BEHIND THE SCENES, WE WEREN'T EVEN SURE WE WOULD GET THIS FIGHT.

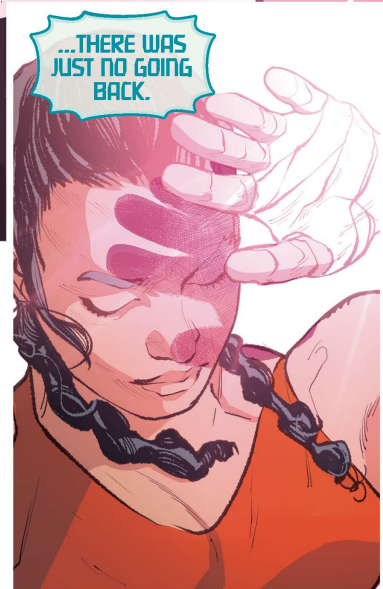

THAT'S RIGHT, THE CONTEST WAS ALMOST CALLED OFF BY BOTH HUMAN LEADERS...

...AND THE ROBOT FIGHT COMMISSION.

BUT PERHAPS WITH SO MUCH EMOTION RIDING ON TONIGHT'S FIGHT...

...THERE WAS JUST NO GOING BACK.
