**THE CITY OF KIROS.
DAWN.**

THE LAST CITY IN
THE KNOWN WORLD.

HUNDREDS OF YEARS
AGO THERE WAS A
WORLD-ENDING WAR.

BUT VICTORY WAS
SNATCHED FROM THE
JAWS OF DEFEAT.

THE GREAT EVIL
WAS VANQUISHED.

THE REGION WAS
BUILT IN PEACE.

...IT'S NOT
GOING GREAT.

Turns out beings bet along
better when there's a great
evil to be vanquished.

Without that common
enemy...it's a
mess. And assholes
are all too plentiful.
